## About Paper One Show

Paper One Show was established in 2006 and began in Damascus, Syria in 2007. It has been running Symposiums and Exhibitions since 2007 in the Middle East.

Paper One Show offers ample opportunity for manufactures and merchants of finished products, equipment, hardware, paper chemicals, services, supplies of paper, tissue and the converting sector to access the MENA region market. Manufacturers of machinery products for paper mills will also have showcasing opportunities, as will a vast array of household paper merchants and paper makers for end users. Exhibitors showcased their new technologies and cover tissue paper, card board production, converting machines, paper mills lines manufacturing, raw material, chemicals, spare parts, accessories, finished products and traders.

Paper One Show attracts key players in paper and tissue production, in addition to manufacturers of paper remittances from the MENA region and the world.
